

Thank you to the kind person who left the American Flag in the church office, it was so thoughtful of you. Also, thank you to Lou Provenzano for hanging it on the flag pole.

### *An Update on Jeanne Anne Pharis from her daughter, Kathie:*

Jeanne Anne is bedridden and coherent most days and then there are days when she asks if I am her daughter. We've had to discontinue her phone because she couldn't remember how to use it. Physically, she has very little wrong with her other than she has lost her appetite.

She enjoys me sharing the newsletter with her and the cards she receives from Care Connection.

On good days we reminisce with me asking leading questions. She passes the day by watching *Heartland* on television and sometimes I think she thinks the characters in the show are her family.

If you'd like to send Jeanne Anne a card:  
Kathie Brown  
600 N. Lane Wells Drive
